Re: NEP Cellcorp, Inc.
Withdrawal of Election to Participate in WEA
PS Docket No. 07-287

Dear Ms. Dortch:

Pursuant to Section 10.220 of the Commission's Rules (47 C.F.R. §10.220), NEP Cellcorp, Inc. ("NEP") hereby withdraws its election to participate in Wireless Emergency Alerts ("WEA").

As reflected in WT Docket No. 15-221 (Application of New Cingular Wireless PCS, LLC ("AT&T") and NEP Cellcorp, Inc. for Consent to Assign Licenses), NEP provided notice to its customers that it intended to exit the wireless service market as of September 22, 2015. Initial notification of that intent was mailed to all subscribers on June 8, 2015. As of this date, NEP serves no retail customers, although the network remains operational and roaming services are provided.

NEP also reports that, despite its original intent to participate fully in WEA, its legacy equipment was not capable of meeting WEA's technical requirements.

Respectfully submitted,
